

Race to Breathe Silent Auction

Guidelines:

- Theme – decide on a theme or focus for your donation, examples include: movie night, bbq, pampering, cooking, sports, pets, kids, gift cards, etc. (For more ideas Google search “silent auction basket ideas”.)
- Partner – it’s always fun to find a friend or two to share the cost. Pooling resources is a good way to create a one of a kind basket without 100% of the cost.
- Presentation – We want to draw people to the items donated. If your donation is presented well then more people might bid on it.
- Larger single items are also welcome, i.e. quilts, paintings, etc., we just ask that you let us know so we can be prepared to display the items properly.

* All donations are accepted, smaller items may be combined with items from another donation.

Requirements:

- Include a detailed list of the items in your donation for the potential bidders to view at the auction. (This can just be a typed sheet of the baskets contents.)
- Include an estimated value or retail price for your basket. Tax deductible donation letters available upon request.
